

Public Meeting Announcement

Public Meeting about the Proposed Regional Water Supply Project to be Held on April 23, 2009

LINCOLN and GRASS VALLEY, Calif. – March 20, 2009 – The Nevada Irrigation District (NID) will hold a meeting to update the public about the proposed regional water treatment plant that will serve the portion of the NID service area near Lincoln.

DATE: Thursday, April 23, 2009

TIME: 6:30 to 8:00 p.m.

LOCATION: Placer County Community Development Resources Agency (CDRA)
Administration Building, Commissioner's Room at 3091 County Center Drive, Auburn
CA 95603

The meeting will present information about the proposed plant and related facilities, the related service area, proposed timeline for planning, and the process for environmental studies. Information presented in the meetings will be posted at the project website: www.nidregionalwtp.org, at the City of Lincoln, and at the NID business office.

There will be an opportunity for public comment and questions. Comments and questions may also be submitted via email to info@nidregionalwtp.org or by mail to NID at 1036 West Main Street, Grass Valley, CA 95945.

About the NID Regional Water Supply Project

NID proposes to build a water treatment plant that will provide treated water to lands within the southwestern portion of their existing service area including a portion of the City of Lincoln. The proposed project is currently in the Planning and Predesign Phase which is expected to last through 2010, with construction to be completed by 2015. Information about the proposed project, including a brief conceptual project description, can be found at www.nidregionalwtp.org. Questions and comments can be sent to info@nidregionalwtp.org.
